This is to certify that the products detailed herein were received from a Johnson & Johnson Company for distribution from the above mentioned European Distribution Centre. Where applicable, having undergone the Sterilization and Quality Assurance processes employed by the relevant Johnson & Johnson Company, in accordance with the regulatory requirements applicable for sterilization of medical devices. Following storage and delivery, we guarantee sterility of the products provided that products remain in their original packaging without being opened or damaged. The products must be used prior to the date defined as "Use By Date" or Date Of Expiry (UBD/DOE) on the individual product labeling. Confirmed as true and correct: - By the European Distribution Centre, on behalf of J&J Companies
